

NOVEMBER 2023

# CLIMATE EDUCATION NEWSLETTER

EARTHDAY EDUCATORS

## Growing and Harvesting Crops

Growing and **harvesting** crops for our food system means that we need to take care of the soil that grows the food we eat.

**Regenerative Agriculture** is a way to ensure biodiversity for soil health for us to continue to grow crops successfully to sustain our food system.

## Website Resources

Curriculum

- *Elementary*
- *Middle School*
- *High School*

Mock Campaign Lessons for Plastics in the Cafeteria

Your Art, Our Earth [Contest](#)

## Corn Facts

The number of **kernels** per ear can vary from 500 to about 1,200, but a typical ear would have 800 kernels

## Important Dates

**November 8th** - Plastic Free Lunch Day

**November 13th-17th** - National Education Week

EARTHDAY.ORG POSTER COMPETITION

## YOUR ART OUR EARTH

Throughout the history of Earth Day, we've harnessed the power of **impactful art** to emphasize the urgent need to care for our planet and advocate for the environment. Show your love for our planet through entering our art poster competition. More information can be found [HERE](#).

“CREATIVITY TAKES  
COURAGE”

-Henri Matisse
